Creppin all ova the floor wit his girlfriend in da CLUB. And wonder why all these playas tryna holla at her. Just soon as she go to the bathroom nigga Ima holla at her. A dog on the prawl when im walkin through the mall. If I could man I would probably flirt wit all of yall. Yea- yea homie you say she yo girlfriend. But when I step up to her, Ima be like tarzan. Believe me maine this is how dem playas do it in the CHI. In plus we got them playette foolers in the CHI. Now the moral of story is cuff yo bitch.
