

Thirsty

Bow Wow

Hey home boy
Hey man I only want to
I mean she looking at me
Straight like that
Go get your bitch,
She so thirsty, she so thirsty, she so thirsty,
She she she so thirsty
Callin' my phone, run up my last
Never told this hoe, aha, a thousand time.
Drug dealer club, can barely say,
With all my niggas in VIP,
She see the bottom, she know I'm stuntin
She give me that love then I know we're f*cking
Day for the dick you nasty won't stop calling
Pop up and where I beat the hoes talking
And I even wanna, this dick drove her crazy
See her girls out of pocket
Only coming bitch ..
Come get your bitch 'cause she so thirsty,
She so thirsty, she so thirsty,
She she she so thirsty
Callin' my phone, run up my last
Never told this hoe, aha, a thousand time.
Flag on the play, go ..down
But you know the game, lose your hoe and she'll get found,
She had all my shows right in the front
With the sack, they .. I wanna f-ck.
Out your problem girl just dustin
F*cking all these nigas but they making no profit
Getting on my nerves, blowin up my mentions
With the world at ..fit that ..still got..
'Cause she so high, she so thirsty, she so thirsty, she so thir
sty
She she she so thirsty
Callin' my phone, run up my last
Never told this hoe, aha, a thousand time.
Come get your bitch 'cause she so thirsty,
She so thirsty, she so thirsty,
She she she so thirsty
Callin' my phone, run up my last
Never told this hoe, aha, a thousand time.
