

## Use Me

**Bow Wow**

(Hitmaka)  
(Sound)

How can I get you all the time? (Time)  
It feels better when it's mine (Mine)  
It's 2 a.m., you know the vibes (Vibe)  
Must I reward you for your time?

I'll let you use me, yeah (Yeah)  
Use me, yeah (Yeah)  
You're so sexy, won't you come bless me? Quit playin'  
Do what you wanna do with me, do your thing, baby (Yeah)  
Use me, yeah (Yeah)  
Use me, yeah  
You're so sexy, girl, come and bless me, yeah, yeah  
What you tryna do to me? Do your thing, baby

Just send the location, I'm gon' pull up, yeah, I'm slidin' (Skrtrt)  
Blunts rolled, drinks poured, you know how we vibin'  
Told me that your man was out of town, then we outside then  
I know he ain't feel like that, so fuck it, we ain't hidin' (Yeah)  
So he ain't know, I'm slidin', it's all in you (No)  
And that Rover in your driveway ain't no rental  
You know he can't afford you (Nope)  
I need you by my side more  
'Cause out of all these girls, you the one I'd ride for, mm

How can I get you all the time? (Time)  
It feels better when it's mine (Mine)  
It's 2 a.m., you know the vibes (Vibe)  
Must I reward you for your time?

I'll let you use me, yeah (Yeah)  
Use me, yeah (Yeah)  
You're so sexy, won't you come bless me? Quit playin'  
Do what you wanna do with me, do your thing, baby (Yeah)  
Use me, yeah (Yeah)  
Use me, yeah  
You're so sexy, girl, come and bless me, yeah, yeah  
What you tryna do to me? Do your thing, baby

I'm talkin' like, just hit me on my celly when you ready (Brtrt)  
Shit, it's been a couple years, we still goin' steady  
I know you don't, but I remember when you first met me (Met me)  
Actin' like you weren't starstruck, tryin' not to sweat me (Haha)  
Shit, you know how hard it is  
Side nigga, I'm really tryna play my part in this (I'm tryin')  
Caught in emotions, I fuck around and put my heart in this  
We live a double life, they don't know just how hard it is  
Tell all your friends just mind their business, they startin' shit  
Fuck what they say, me and you, know how we bonded (Mm)  
Pussy so good, I had to get her out that Honda (Yeah)  
Every time you drive your new whip, that's a reminder (Mm)  
My down-ass chick, hell yeah, she a rider

How can I get you all the time? (How can I? Time)  
It feels better when it's mine (Mine, mine)

It's 2 a.m., you know the vibes (The vibes, vibe)  
Must I reward you for your time?

I'll let you use me, yeah (Yeah)  
Use me, yeah (Yeah)  
You're so sexy, won't you come bless me? Quit playin'  
Do what you wanna do with me, do your thing, baby (Yeah)  
Use me, yeah (Yeah)  
(I want you to use me)  
Use me, yeah  
You're so sexy, girl, come and bless me, yeah, yeah  
What you tryna do to me? Do your thing, baby
