

# All Figured Out

## Bowling For Soup

**A D**

1. I was the one who had shit for brains  
I never took the time to notice  
That I was always wrong and you weren't  
You were the one who gave up so many things  
Took you for granted  
But you understood  
It was just a phase

**F#**

- \*: And I've got a new direction

**A D D E E**

A blueprint for erection of new life  
A blueprint for erection of new life

**F#**

**F#**

It's such a simple situation

**A**

Some kind of masturbation

**D**

With a new twist

**E**

I don't know why

- R: I've got it all figured out  
We can make it  
And I'll never let you down  
Just take my hand  
And understand  
There's a lot of tomorrows  
I let you down  
You had no complaints  
Watched as the world went spinn'  
Around without you  
You waited for me  
You wanted diamonds  
I came up with rollerblades  
Shot down again but you smiled  
And shook your head  
And knew that I had changed
