(choke (4x))  
They're counting on you  
The lines have been drawn  
You never come through when the pressure is on  
You're covered in sweat  
You're thinking too much  
You're losing you're cool  
And you're losing you're touch  
Here you're big chance now you're goin for pro

(choke (4x))  
Na na nana na  
You're gonna choke again  
(choke (4x))  
Your fingers are crossed  
But that's not enough  
You talk a big game  
But you ain't so tough  
The look in your eye  
Nothin but fear  
Is it cold in here?  
Or is it just your career?  
Another big chance goin up in smoke  
Here we go here we go  
1,2,3 choke!  
Na na nana na  
You're gonna choke again  
(choke (4x))  
Na na nana na  
You're gonna choke again  
(choke (4x))  
Take your time now  
Free your mind now  
You can't take it

What are afraid of?  
Show em what you're made of  
You can't fake it

You can't take it  
You can't take it  
Now!  
Na na nana na

(choke (4x))  
Na na nana na  
You're gonna choke again  
(choke (4x))  
Na na nana na  
You're gonna choke again  
(choke (4x)) [repeats]

Dude seriously  
People are never gonna talk to you again  
You're gonna have to like get up and grow a mustache or something so no one  
will notice that  
You're gonna have to move  
To like another country!  
Third world!  
Seriously  
Everyone is gonna ignore you  
Every day of your life from now on  
You totally suck!  
It's hilarious!  
Whoa seriously seriously  
Just go just go  
I can't stop laughing!  
It's ridiculous!  
You're an idiot!  
You're gonna have to go like through witness protection program or something  
You're gonna have to change your name and assume identity or something  
Well literally they're gonna put you on a milk carton of people who suck  
That's gonna happen!  
To you!
