

Hey Diane

Bowling For Soup

It started with a song that almost didn't come to fruition
She's got a pink Volkswagen, and a husband that went to Princeton

She's not your normal mom
She likes to sing along
To punk rock songs

She doesn't sleep so good anymore, but she's still smiling
Her anxiety is a bitch, and there's no denying

That she's overwhelmed
Just not herself

Hey Diane, everything is gonna be just fine
You're gonna have an amazing life
I know you're gonna conquer the world
Hey Diane, you're a shooting star, a wish come true
And no matter what you do
I know you're gonna conquer the world, hey Diane

She's everything you'd imagine a good friend should be
She won my heart when she fixed the zipper on my Frank Turner hoodie

Sometimes she feels so sad
I tell her, "It's not so bad."

Hey Diane, everything is gonna be just fine
You're gonna have an amazing life
I know you're gonna conquer the world
Hey Diane, you're a shooting star, a wish come true
And no matter what you do
I know you're gonna conquer the world, hey Diane

Sometimes the future's so uncertain
Like it was when we first met
Who knows what's behind the curtain
Everybody's got regrets
And I don't know what I'd do without you
You can always count on me
I'm on your side
For the rest of our lives

Hey Diane, everything is gonna be just fine
You're gonna have an amazing life
I know you're gonna conquer the world
Hey Diane, you're a shooting star, a wish come true
And no matter what you do
I know you're gonna conquer the world

Hey Diane, everything is gonna be just fine
You're gonna have an amazing life
I know you're gonna conquer the world
Hey Diane, you're a shooting star, a wish come true
And no matter what you do
I know you're gonna conquer the world, hey Diane
