

Scope

Bowling For Soup

E

I don't know

A B E A B E

when it all began to simmer down. Suddenly I don't want you around.

A B E

And I'm siting here

A B E

I'm drowning in the worries and the fear.

A B E

And now I wish it wasn't quite as clear.

A B A B

And now I wish it wasn't quite as clear.

A B A B

Cause I am starting to forget now

A B

It dissappears so fast

A B E

I'm waiting for "the Question" to be asked.

A B

And if you saw me now

A B

you'd not be dissappointed

A

somehow I've gotten to a point

B

and I'm not ever coming back

A B

my minds made up I'm staying for as long as it has taken(to get)

E B A F E

Close to you, I wanna get, Close to you and

A B

I need more time, (I wanna get)

E B A F E

Close to you, I just want, Close to you and

A B

I'm not sure why!

E

Sometimes I

A B E

I get up in the morning so surprised.

A B E

It takes me some time to realize.

E

Lately I,

A B E

Have really wished that you were still around.

A B E

Here to pick me up off of the ground.
