I saw you there Your long brown hair Falling on your face the way it used to fall on mine At one time A long time ago I still remember everything you said to me that night

It's too bad and it's too late You were such a big mistake Please don't call here anymore I used to miss you

There's no surfin Colorado anyway

And it's a shame to hear you're happy and you still look at me that w av

There's no surfin Colorado anyway, yeah She never waved to me or said "good Bye" One night she just left me and her behind

There she goes And no one knows What she does to my heart, still, she'll never know How we speak Across the room Eye to eye she's holding him, holding me soon

It's too bad and it's too late Was it such a big mistake? You don't call me anymore And I still miss you

There's no surfin Colorado anyway

And it's a shame to hear you're happy and you still look at me that w

There's no surfin Colorado anyway, yeah She never waved to me or said "good Bye" One night she just left me and her behind

Remember the first time God Damn we got so high She held me so close that I thought that I might break And know she's a mile high And I'm on Texas time She traded rattlesnakes for bunny runs in Colorado Springs

There's no surfin Colorado anyway

And it's a shame to hear you're happy and you still look at me that w

There's no surfin Colorado anyway, yeah

She never waved to me or said "good Bye"

One night she just left me and her behind Tištěno z pisnicky-akordy.cz Sponzor: www.srovnavac.cz - vyberte si pojištění online!
