

Feel

Boy & Bear

Come and hold my hand
I wanna contact the living
Not sure I understand
This role I've been given

I sit and talk to God
And He just laughs at my plans
My head speaks a language
I don't understand

I just wanna feel
Real love the home that I live in
'Cause I got too much life
Running through my veins
Going to waste

I don't wanna die
But I ain't keen on living either
Before I fall in love
I'm preparing to leave her

And I scare myself to death
That's why I keep on running
Before I've arrived
I can see myself coming

I just wanna feel
Real love the home that I live in
'Cause I got too much life
Running through my veins

Going to waste
And I need to feel real love
And a life ever after
But I cannot get enough

And I just wanna feel real love
The home that I live in
'Cause I got so much love
Running through my veins
To go to waste

I just wanna feel real love
In a life ever after
There's a hole in my soul
You can see it in my face
It's a real big place
