

## The Rain

Boy & Bear

Born to the rain, deep in the pain,  
Will of the weak, bold as the brave,  
Born to the rain, born to the storm,  
Lead me the way, lead me home,

Oh

Born to the rain, deep in the Pain,  
Will of the weak, bold as the brave,  
Down where the four rivers run,  
We'll be dancin' like the devil for the rain to come,  
So won't you drive, won't you drive,

Born to the rain,  
Ah  
Deep in the pain,  
Ah  
Born to the rain,  
Ah  
Lead me home.
