

# Bump And Grind

Boy George

It's a simple buzz  
Kiss 'em softly on the bloody lips  
Then bump and grind  
Read about it on the news  
The imagery gets so confused  
And there's no time

To explain everyone  
Can you explain everyone?  
I don't wanna be explained

Qu'est-ce que tu vas faire?

Bump and grind  
What a perfect life  
To be understood  
What a waste of time  
Bump and grind  
Such a perfect life  
To be understood  
What a waste of time

It's a simple buzz  
[?] you know they fall in love  
With other girls  
And they're not trying  
To take over the world  
And I am

De montagne [?] grande visionnaire  
And they are

Bump and grind  
What a perfect life  
To be understood  
What a perfect waste of time  
Bump and grind  
What a perfect life  
To be understood  
Oh, what a waste of time

Bump and grind  
What a perfect life
