

# Drive

Boy George

Drive, drive  
Just drive  
Drive, drive  
Just drive

Drive me to the city, drive me to the edge  
Drive me somewhere beautiful so I can forget  
Drive  
Just drive

Drive me to the mountains, drive me to the sea  
Drive me somewhere far away, where I can be free  
Drive  
Just drive

It's all I need, it's all I need  
It's all I need, it's all I need  
Just drive  
Just drive

Just drive  
Just drive

Drive me to the city, drive me to the edge  
Drive me somewhere beautiful so I can forget  
Drive  
Just drive

Drive past yourself  
Pretending to be someone else  
Drive through your city  
Drive past your old school  
Drive past the nightclub  
Just drive  
And the supermarket  
Drive past an old lover  
And put your foot down  
Just drive
