

Jealous Gemini

Boy George

Us being over ain't the problem
Never getting closer would be worse
I thought about that curse
Somewhere in the family
[?] the queen
I loved her so much
I never got to wear that [?] catsuit
[?] rejection really hurts that much

Fear is not the issue, fear is knowing the truth
Fear is being human, being me, being you
[?] pain, I think I did that last night
Flying through my head towards light

Jealous, jealous, jealous, jealous
Jealous, jealous Gemini
Jealous, jealous, jealous, jealous
Jealous, jealous Gemini

Gemini

Jealousy is jealous of jealousy
Jealousy is jealous of you and me
I look around me and I think
Ooh, would I call?
I want it to be you
That's nothing but the truth
The [?] raving
Oh, truth

Fear is not the issue, fear is knowing the truth
Fear is being human, being me, being you
[?] pain, I think I did that last night
Flying through my head towards light

Jealous, jealous, jealous, jealous
Jealous, jealous Gemini
Jealous, jealous, jealous, jealous
Jealous, jealous Gemini

Jealous, jealous, jealous, jealous
Jealous, jealous Gemini
Jealous, jealous, jealous, jealous
Jealous, jealous Gemini

So what if you leave?
So what if you stay?

Jealous, jealous, jealous, jealous
Jealous, jealous
[?] down
Can you handle it
Jealous Gemini
