Love Hurts

Not everybody knows the way a river flows Not everybody sees the sun up in the sky Maybe you and I should not try to plan our lives If only what we could see what we hold in our hands Love hurts 'cause you can't let go Love hurts 'cause you need it so Love hurts yes it hurts but it's good for fools Feel some pain now still you wanna try it again Everybody cries until the day they die Everybody feels like they're the only one Maybe you and I should not try to plan our lives If only we could see what's in front of our eyes Love hurts 'cause you can't let go Love hurts 'cause you need it so Love hurts yes it hurts but it's good for fools I guess it's useless to say why won't this pain go away
