

You're so beautiful
You're so beautiful
You're so beautiful

oh so pure like a child
You were always locked up by yourself
Wasn't there when you died
Didn't get to bury you
Didn't get to bury you
Didn't get to bury all that you one last time
One last time

You're so beautiful
You're so beautiful
You're so beautiful
You were beautiful

Your furs so white, your patches are brown
There's a stillness in my heart, are you happier now?
You know I loved you
You know I love you
You know I loved you
But I think I love you more now that you're gone

You were beautiful
You're so beautiful
You're so beautiful
You're so beautiful
You were beautiful
When you ran through the field
When you ran through the field
When you ran through the field
With the pretty flowers that smelt good

As you ran
Through the field
As you ran
Do you run

You're so beautiful (9x)
You were beautiful
You're so beautiful
You're beautiful...
