

Counting Sheep

Boy In Space

Eyes too blue and love too red
I can never go to bed
Countin' sheep 'cause I can't sleep
Countin' sheep 'cause I can't sleep
Oh, no
Eyes too blue and love too red
I can never go to bed
Countin' sheep 'cause I can't sleep
Countin' sheep 'cause I can't sleep
(Woo)

Found love at the edge of your window
Still awake 'cause you told me to let go
(So cold til' need turns into snow, a-ah)
(But it's okay, I brought a coat, a-a-ah)
Top down, movin' fast like an astro
Love is pain and I love how it hurts, oh
(Day in my life, it's something nice, a-ah)
(All by myself, prayin' for night, a-a-ah)
Can't we just spend another night
Just kiss me under the moonlight
I'm always yours so please be mine
But I'm startin' to lose hope
(Woo)

Eyes too blue and love too red
I can never go to bed
Countin' sheep 'cause I can't sleep
Countin' sheep 'cause I can't sleep
Oh, no
Eyes too blue and love too red
I can never go to bed
Countin' sheep 'cause I can't sleep
Countin' sheep 'cause I can't sleep
(Woo)

Forget what I said, I'm a psycho
Asking' me where I was, how could I know
(I fall so far, far from the tree, a-ah)
(You told me lies, sold a dream, a-a-ah)
Can't we just spend another night
Just kiss me under the moonlight
I'm always yours so please be mine
But I'm startin' to lose hope (A-a-ah) (Woo)

Eyes too blue and love too red (Eyes too blue)
I can never go to bed
Countin' sheep 'cause I can't sleep (I can never sleep)
Countin' sheep 'cause I can't sleep (I can never sleep)
Oh, no
Eyes too blue and love too red (Eyes too red)
I can never go to bed (Can never go to bed)
Countin' sheep 'cause I can't sleep (Can't sleep)
Countin' sheep 'cause I can't sleep ('Cause I can never sleep)
(Woo)

'Cause I can never sleep

No, I can never sleep
Countin' sheep
'Cause I can never sleep
Countin' sheep
