

Roses

Boy In Space

All of us
Running round in circles till we're outta luck
Keep on driving, wheels are falling off the bus
I just can't wrap my head around it, yeah
Why did I
See you crying while the trains, we're passing by
Like you don't remember, we were feeling high
Shaking in my arms, yeah we're falling, hey, hey

Nights like this
I wish there were some nights like this

Sometimes, sunshine, go away
Don't lie, it's all on your face
Baby, I know you're cut open
When the tears fall, I'm leaving you roses
Sometimes I cry in the rain
I don't know why, I'm okay
Baby, I try not to show it
When the tears fall, I'm leaving you roses

I can't lie
Hurts to see you hurting while I'm by your side
Ceiling's caving in inside your room tonight
You're not picking up when I'm calling, yeah-yeah, yeah
It's cold tonight
The sky is painted black and now it's closing time
Wish that you could see yourself through my eyes
Shaking in my arms, yeah we're falling, yeah, hey

Sometimes, sunshine, go away
Don't lie, it's all on your face
Baby, I know you're cut open
When the tears fall, I'm leaving you roses
Sometimes I cry in the rain
I don't know why, I'm okay
Baby, I try not to show it
When the tears fall, I'm leaving you roses

Sunshine, I leave you roses
Baby, I know you're cut open
When the tears fall, I'm leaving you roses

Sometimes, sunshine, go away
Don't lie, it's all on your face
Baby, I know you're cut open
When the tears fall, I'm leaving you roses
