

Last Of The Great

Boy Kill Boy

Same time
Same place
Same smile
Same face
Send me home again

Uh-oh
Coco
Left me
So low
Send me home again

You miss it
You miss it
You miss it
You miss it
You miss them

You miss it
You miss it
You missed yourself?

Rule one
Always
Bring someone else
Send me home again

Rule two
Never
Let them
Catch you
Send me home again

You miss it
You miss it
You miss it
You miss it
You miss them

You miss it
You miss it
You missed yourself?

Didn't mean to go
Didn't mean to go
Didn't mean to go
Over the edge
Never meant to stay
Never meant to stay
Never meant to stay
On and on and
Didn't mean to go
Didn't mean to go
Didn't mean to go
Over the edge
Never meant to stay
Never meant to stay

Never meant to stay
On and on and
On

So far
No good
Misunderstood
Send me home again

Uh-oh
Don't care
Whose here
Whose there
Send me home again

You miss it
You miss it
You miss it
You miss it
You miss them

You miss it
You miss it
You miss yourself?

Didn't mean to go
Didn't mean to go
Didn't mean to go
Over the edge
Never meant to stay
Never meant to stay
Never meant to stay
On and on and

Didn't mean to go
Didn't mean to go
Didn't mean to go
Over the edge
Never meant to stay
Never meant to stay
Never meant to stay
On and on and
