

## On My Own

Boy Kill Boy

Feel the force  
Of the blow  
That's the price  
For getting down  
Maybe I understand  
Just because I'm doing fine

On my own  
I'm better off, on my own

Feel the cold, of my hands  
That's the price for moving on  
Taste the shame, on my lips  
I know I know I'll do this

On my own,  
I'm satisfied, on my own

Step aside, let the heart's decide  
The final kiss goodnight, my love  
Tears will fall, years will grow, they say  
The final kiss goodbye, my love

Wipe the sleep, from your eyes  
And last night lullabies  
It's a smack in the face  
I know, I know you'll do this  
In your own way

Keep the wolf from the door  
Spend some time getting well  
On your own  
We're better off, on our own
