

Be My Baby

Boy Meets Girl

(do, do, do) (ooh-ooh-ooh) (do, do)

'til we met I was down, I couldn't imagine
love again with no one, you found me cryin'
when you smiled and touched my hand, my cares went flyin' by
you make me want to try

be my baby, say that you'll be my baby
be my baby, say that you'll be my baby

my friends say there's this girl and you're seein' so much of h
er
that don't change the way I feel but I need to get your answer
(do do do do) could that light in your eyes (do, do) be shinin'
for me
tell me that you'll be mine

be my baby, say that you'll be my baby
be my baby, say that you'll be my baby
be my baby, say that you'll be my baby

do I (do I) have a chance with you? tell me that you'll be mine

(do do do do) could that light in your eyes (do, do)
be shinin' just for me, tell me that you'll be mine

be my baby, say that you'll be my baby
be my baby, say that you'll be my baby
be my baby, say that you'll be my baby
be my baby, say that you'll be my baby, oh oh

(be my baby) the way you touched again, I fell in love again
(say that you'll be my baby) I'll be in love again, ooh woo woo
(be my baby) oh baby (say that you'll be my baby, be my baby)
