

Boy On My Mind

Boy Meets Girl

Don't really know
How the whole thing started
I didn't realize I was so downhearted
Till you came along

Why did I fall in love with a boy
Who's in love with another girl
Why did I fall in love with a boy
Who's in love with another girl

People askin' questions
I don't even hear
They're probably talkin' sense
But my mind ain't clear
I can't think of nothin' else

Why did I fall in love with a boy
Who's in love with another girl
Whoa-whoa...
Why did I fall in love with a boy
Who's in love with another girl

Boy on my mind and in my heart
I wish I could tell you, oh, no
I close my eyes and keep it to myself
I wish I could tell you, oh, no

Yours is the love that I still want to touch
But this time to love is to give it up
There ain't no sweet romancin'

Why did I fall in love with a boy
Who's in love with another girl
Oh, whoa-whoa...
Why did I fall in love with a boy
Who's in love with another girl
Oh, whoa-whoa...

Why did I fall in love with a boy
Who's in love with another girl, oh...
Why did I fall in love with a boy
How I wish I could tell you, oh, no

Oh, no
Oh, no
How I wish I could tell you
Oh, no
