

# Waiting For A Star To Fall

Boy Meets Girl

I hear your name whispered on the wind  
It's a sound that makes me cry  
I hear a song blow again and again  
Through my mind and I don't know why  
I wish I didn't feel so strong about you  
Like happiness and love revolve around you

Trying to catch your heart  
Is like trying to catch a star  
So many people love you baby  
That must be what you are

Waiting for a star to fall  
And carry your heart into my arms  
That's where you belong  
In my arms baby, yeah

I've learned to feel what I cannot see  
But with you I lose that vision  
I don't know how to dream your dream  
So I'm all caught up in superstition  
I want to reach out and pull you to me  
Who says I should let a wild one go free

Trying to catch your heart  
Is like trying to catch a star  
But I can't love you this much baby  
And love you from this far

Waiting for a star to fall  
And carry your heart into my arms  
That's where you belong  
In my arms baby, yeah

Waiting (however long...)  
I don't like waiting (I'll wait for you...)  
It's so hard waiting (don't be too long...)  
Seems like waiting (makes me love you even more...)

Waiting for a star to fall  
And carry your heart into my arms  
That's where you belong  
In my arms baby, yeah
