

## 50 Souls And A Discobowl

boy pablo

50 souls and a discobowl  
Sparkling, flesh-eating lights  
And glamorous clothes

50 souls, 50 souls and a discobowl  
Mother circle of life  
And love 50 souls, discobowl

We meet, we integrate  
We gaze upon our mate  
We feel, we love and hate  
We kiss, we separate  
We heal, we re-relate  
We see emotions peak  
We blow and we flow  
In and out we explode

50 souls and a discobowl  
Sparkling, flesh-eating lights  
And glamorous clothes

50 souls, 50 souls and a discobowl  
Mother circle of life  
And love 50 souls, discobowl

We meet, we integrate
