

Be Mine

boy pablo

Baby, esta situación me vuelve crazy
Cause when you see me go by, I can see that you're smiling at me

Me derrite el corazón
You've been crossing my mind lately
Wanna know if I have crossed yours too

Yo sufriendo aqui estoy
Esperando tu amor

I wanna know, will you be mine?
(Be mine baby)
Just take a chance, don't waste your time
You know that I'm a catch
Cause you deserve to be with someone like me, baby girl
Will you be mine?
(Vamos!)

Picture me making you taquitos, bailando despacito, wachita y wachito
Cause I want you (Cause I want you)
Know you want me (Know you want me)
So come on now (So come on now)
Girl I'm right here (Right here)
Entrega los besitos por favor
(Weeeepaaa!)

I wanna know, will you be mine?
(Be mine baby)
Just take a chance, don't waste your time
You know that I'm a catch
Cause you deserve to be with someone like me baby girl
Will you be mine?
(Cumbiarock!)
