

Everytime

boy pablo

As you can see she hasn't met him yet
She already fell in love I bet
Her keyboard gets slammed by her fingers
But he replies with "OK" every time, every time

She doesn't know who he is
No, she doesn't know what he's up to, oh
She doesn't know who he is

He doesn't see her
He sees right through her, oh

She doesn't know who he is
No, she doesn't know what he's up to, oh
Her heart gets broken every time, every time

She doesn't know who he is
No, she doesn't know what he's up to, oh

She doesn't know who he is
She doesn't know who she is
