

Te Vas // Don't Go

boy pablo

I've been trying to take care of you
But nothing helps
Always tried to give my love to you
But you looked away

You gave your eyes to someone else
What am I supposed to do?

Te vas, te vas
Te vas, ¿por qué te vas?
Don't leave, don't leave
Don't leave, oh, please, don't leave

Can we try to make this work for them?
They don't understand
Growing up without a home, but two
It's up to us

I kind of thought we'd work this out
What am I supposed to do?

Te vas, te vas
Te vas, ¿por qué te vas?
Don't leave, don't leave
Don't leave, oh, please, don't leave

Just think about the times
We used to share when love was there
Our hands, intertwined
That's when I knew that you were mine

Don't go, I love you so much, oh, babe
Don't go, I love you so much
Don't go, I love you so much, oh, baby
Don't go, I love you so much

Oh, baby
Oh, baby
