

Ur Phone

boy pablo

Do you want to meet after class?
'Cause I really want to
I'll be waiting for you on the field
'Cause I really want to
'Cause I really want to be with you
But I've never had the courage
To ask you to be with me
But trust me, I'm gonna step up my game

I was going to call you
Going to call you
You didn't pick up your phone
Going to call you
Going to call you
You didn't pick up your phone

Do you want to head out at all?
Never really dared to
Way too shy
And we're too young
It's too soon to be playing this game

I was going to call you
Going to call you
You didn't pick up your phone
Going to call you
Going to call you
You didn't pick up your phone
I was going to call you
Going to call you
You didn't pick up your phone
Going to call you
Going to call you
You never pick up your phone
