

Lose

Boy Spyce

My Ohema
I no fit ever leave am
Your body gimme ginger
Your love e sweet pass limca oh ai
My Ohema
I no fit ever leave am
You make a good man turn to sinner
I no go fight like you John Cena

Be my Reggae make I be your blues
Mu na gi g'ebi you are my muse oh
Tell me something wey I no fit do
Wey I no fit do for you
I loo, I loo
I loo, I loo
I loo, I loose oh
You Dey make me loose control
I loo, I loo
I loo, I loo
I loo, I loose oh
You Dey make me loose control oh oh oh
(Snap me fine cinemato)

I'm losing control
The way you wine & move your body
Make me lose my mind
(Baby girl I really really like it)
Busy body
When you need me I go appear
For you I got time
(Baby girl I really really like it)
Hw3 nhw3 ne3 omo ka o aahh
Account dey large aaahh
I fit to empty my Ecobank account for you
Forget long talk
So many blue many tick requests in my dms
But ebi you I dey request

Be my Reggae make I be your blues
Mu na gi g'ebi you are my muse oh
Tell me something wey I no fit do
Wey I no fit do for you
I loo, I loo
I loo, I loo
I loo, I loose oh
You Dey make me loose control
I loo, I loo
I loo, I loo
I loo, I loose oh
You Dey make me loose control oh oh oh

My sweet potato
Orekelewa
If you no go mind o
I go like to bless your aza
Won kere si number wa
Won kere si number wa

Na you be number one
Girl I wan chop your ofe nsala

Be my Reggae make I be your blues
Mu na gi g'ebi you are my muse oh
Tell me something wey I no fit do
Wey I no fit do for you
I loo, I loo
I loo, I loo
I loo, I loose oh
You Dey make me loose control
I loo, I loo
I loo, I loo
I loo, I loose oh
You Dey make me loose control oh oh oh
(Snap me fine cinemato)
