

Nobody

Boy Spyce

Ooh, ooh, ooh, ooh (Presto made it)
I don't think I'll ever fall for
Nobody
Nobody
But you

Been in love with you for years
But I act like we just friends
I don't tire for pretense
Oh, oh
Had to get this off my chest
After all of this, I guess
You go start to snub my text

'Cause love no go work if your heart no dey beat
The ship no go sail if your feelings dey sink
What did I do to deserve all of this?
And this is the song that explains how I feel

I don't think I'll ever fall for
Nobody
Nobody
But you, oh baby
I don't think I'll ever run for
Nobody
Nobody
But you, ooh, ooh-ooh
But you, ooh, ooh-ooh

Like the stars light up the sky
When there's darkness in the night
You dey brighten up my life
Shey you know
You dami lori ru
But I'm still in love with you
And I wanna be with you

'Cause love no go work if your heart no dey beat
The ship no go sail if your feelings dey sink
What did I do to deserve all of this?
And this is the song that explains how I feel

I don't think I'll ever fall for
Nobody
Nobody
But you oh baby
I don't think I'll ever run for
Nobody
Nobody
But you, ooh, ooh-ooh
But you, ooh, ooh-ooh

Snap me fine cinemato (Snap me fine cinemato)
(Presto made it)
Nobody, ahh
Nobody
Nobody

Yeah, yeah, ahh, ahh
