

## Zapping

Boy

You've got this love but how can you be sure? But there ain't no other more perfect or pure. Out of millions of people; how can it be, that you found the one that you should have leave?

You might regret it if you didn't check it, all out somewhere else.

You are just zappin', you wanne make sure: you're where good things are happenin', that you won't get bored. You are just zappin', you wanne make sure: you're where good things are happenin', that you won't get bored.

Zappin'

You are all right. There's nothing you miss. But there must be grass a bit greener than this. No matter which channel, no matter how far. Anything to hear second best oh fou we are.

You might regret it if you didn't check it all out somewhere else.

You are just zappin', you wanne make sure: you're where good things are happenin', that you won't get bored. You are just zappin', you wanne make sure: you're where good things are happenin', that you won't get bored.

That you won't get bored, baby. Baby, baby bored. Now you're still bored. All this is zappin' and zappin' and zappin' and zappin' and zappin' and zappin' and zappin', but you're still bored - hà.

You've got this love but you'll never be sure? But there ain't no other more perfect or pure. Out of millions of people - how can it be, that you found the one that you should have never - leave? The one you should never ever, ever, ever, ever leave. Ever leave. Bala babma, balabababam [...]
