

3AM

Boyce Avenue

She said it's cold outside
And she hands me my raincoat
She's always worried about things like that
She said it's all gonna end
And it might as well be my fault
She only sleeps when it's raining
And she screams and her voice is straining

She says baby
It's 3AM I must be lonely
And she says baby
Well I can't help but be scared of it all sometimes
And the rain's gonna wash away I believe it

Well she's got a little bit of something
God it's better than nothing
And in her color portrait world
She believes that she's got it all
She swears the moon don't hang
Quite as high as it used to
And she only sleeps when it's raining
And she screams and her voice is straining

She says baby
It's 3AM I must be lonely
And heaven she says baby
Well I can't help but be scared of it all sometimes
And the rain's gonna wash away I believe this

Well she believes her life
Is made up of all that she's used to
And the clock on the wall has been
Stuck at 3 for days and days
She thinks that happiness is a mat
That sits on her doorway
But outside it's stopped raining

Yeah and she says baby
It's 3AM I must be lonely
Heaven she says baby
Well I can't help but be scared of it all sometimes
And the rain's gonna wash away I believe it

Well it's 3AM I must be lonely
Well heaven she says baby
Well I can't help but be scared of it all sometimes
