

# Be Somebody

Boyce Avenue

My head feels tangled up  
like the headphones in my pocket  
Two words and you got me  
Two nights and you told me that  
Once the time is counting down,  
it's impossible to stop it  
Three words that we need to save  
Three weeks till you move away

So go, go oh oh oh oh oh  
Your heart has to be followed  
Woah oh oh oh oh oh oh

'Cause we (oh oh oh) got a dream (oh oh oh)  
Gotta be somebody, be someone  
'Cause we (oh oh oh) got a dream (oh oh oh)  
Gotta be somebody, be someone  
So please, be somebody with me

Piles of magazines left from two months ago  
I'm clinging to old news  
Memories I'm scared to loose  
Now I find reminders down the sofa and under the bed  
Three words could've made you stay  
Three words that I left to late

So go, go oh oh oh oh oh oh  
Your heart has to be followed  
Woah oh oh oh oh oh oh

'Cause we (oh oh oh) got a dream (oh oh oh)  
Gotta be somebody, be someone  
'Cause we (oh oh oh) got a dream (oh oh oh)  
Gotta be somebody, be someone  
So please, be somebody with me

If you feel like running  
The grass is greener inside your heart  
And I'll be there if it falls apart  
Love who you're becoming  
Sometimes we win but sometimes we fall  
Story still remains untold

So go, go oh oh oh oh oh oh  
Your heart has to be followed  
Woah oh oh oh oh oh oh

'Cause we (oh oh oh) got a dream (oh oh oh)  
Gotta be somebody, be someone  
'Cause we (oh oh oh) got a dream (oh oh oh)  
Gotta be somebody, be someone  
'Cause we (oh oh oh) got a dream (oh oh oh)  
Gotta be somebody, be someone  
'Cause we (oh oh oh) got a dream (oh oh oh)  
Gotta be somebody, be someone  
So please, be somebody with me
