

# Collide

Boyce Avenue

The dawn is breaking  
A light shining through  
You're barely waking  
And I'm tangled up in you, yeah

I'm open, you're closed  
Where I follow, you'll go  
I worry I won't see your face  
Light up again

Even the best fall down sometimes  
Even the wrong words seem to rhyme  
Out of the doubt that fills your mind  
I somehow find you and I collide  
You and I collide

I'm quiet you know  
You make a first impression  
I've found I'm scared to know  
I'm always on your mind

Even the best fall down sometimes  
Even the stars refuse to shine  
Out of the back you fall in time  
I somehow find you and I collide

Don't stop here  
I lost my place  
I'm close behind  
I'm close behind

Even the best fall down sometimes  
Even the wrong words seem to rhyme  
Out of the doubt that fills your mind  
You finally find you and I collide

You finally find you and I collide  
Oh, you finally find you and I collide  
You finally find you and I collide
