

# Glad You Came

Boyce Avenue

The sun goes down  
The stars come out  
And all that counts  
Is here and now  
My universe will never be the same  
I'm glad you came

You cast a spell on me, spell on me  
You hit me like the sky fell on me, fell on me  
And I decided you look well on me, well on me  
So let's go somewhere no-one else can see, you and me

Turn the lights out now  
Now I'll take you by the hand  
Hand you another drink  
Drink it if you can  
Can you spend a little time  
Time is slipping away  
Away from us so stay  
Stay with me I can  
Make you glad you came

The sun goes down  
The stars come out  
And all that counts  
Is here and now  
My universe will never be the same  
I'm glad you came  
I'm glad you came

You cast a spell on me, spell on me  
You hit me like the sky fell on me, fell on me  
And I decided you look well on me, well on me  
So let's go somewhere no-one else can see, you and me

Turn the lights out now  
I'll take you by the hand  
Hand you another drink  
So drink it if you can  
Can you spend a little time  
Time is slipping away  
Away from us so stay  
Stay with me I can  
Make you glad you came

The sun goes down  
The stars come out  
And all that counts  
Is here and now  
My universe will never be the same  
I'm glad you came  
I'm glad you came

I'm glad you came  
So glad you came  
I'm glad you came  
I'm glad you came

The sun goes down  
The stars come out  
And all that counts  
Is here and now  
My universe will never be the same  
I'm glad you came  
I'm glad you came
