I wish you would step back from that ledge, my friend You could cut ties with all the lies, that you've been living in And if you do not want to see me again I would understand, I would understand

The angry boy, a bit too insane Icing over a secret pain
You know you don't belong

You're the first to fight
You're way too loud
You're the flash of light on a burial shroud
I know something's wrong

Well, everyone I know has got a reason To say put the past away

Wish you would step back from that ledge, my friend You could cut ties with all the lies that you've been living in And if you do not want to see me again I would understand, I would understand

And well, he's on the table And he's gone to code And I do not think anyone knows What they are doing here

And your friends have left you You've been dismissed I never thought it would come to this And i, I want you to know

Everyone's got to face down the demons Maybe today we can put the past away

I wish you would step back from that ledge my friend You could cut ties with all the lies That you've been living in and if you do not want to see me again I would understand, I would understand

I would understand I would understand Understand

Can you put the past away?
I wish you would step back from that ledge, my friend
I would understand

I wish you would step back from that ledge, my friend I would understand
I wish you would step back from that ledge, my friend And I would understand

I wish you would step back from that ledge, my friend

I would understand

I wish you would step back from that ledge, my friend
