

# Tattoo-no One-where Is The Love

Boyce Avenue

No matter what you say about love,  
I keep coming back for more,  
Keep my head in the fire,  
Sooner or later I get what I'm asking for  
No matter what you say about life  
I learn everytime I bleed  
The truth is a stranger  
Soul is in danger  
I gotta let my spirit be free  
To admit that I'm wrong  
And then change my mind  
Sorry but I have to move on and leave you behind

No one, no one, no one  
Can get in the way of what I'm feeling  
No one, no one, no one  
Can get in the way of what I feel for you

Sick of playing all of these games  
It's not about taking sides  
When I looked in the mirror, didn't deliver  
It hurt enough to think I could stop  
Admit that I'm wrong and then change my mind  
Sorry but I've gotta be strong and leave you behind

No one, no one, no one  
Can get in the way of what I'm feeling  
No one, no one, no one  
Can get in the way of what I feel for you

People killin', people dyin'  
Children hurt and you hear them cryin'  
Would you practice what you preach  
Or would you turn the other cheek

Father, Father, Father help us  
Send us some guidance from above  
'Cause people really got me questionin'  
Where is the love (Love)  
The love, the love  
Where is the love  
The love, the love

And no one, no one,  
Can get in the way of what I'm feeling

No one, no one, no one  
Can get in the way of what I'm feeling  
No one, no one, no one  
Can get in the way of what I feel for you  
Can get in the way of what I feel for you  
Can get in the way of what I feel for you
