

# The One That Got Away

Boyce Avenue

Summer after high school when we first met  
We make up in your Mustang to Radiohead  
And on my 18th Birthday  
We got that chain tattoos

Used to steal your parents' liquor  
And climb to the roof  
Talk about our future  
like we had a clue  
Never plan that one day  
I'd be losing you

And in another life  
You would be my girl  
We keep for our promises  
Be us against the world

And in other life  
I would make you stay  
So I don't have to say  
You were the one that got away  
The one that got away

You were dreaming I was your Johnny Cash  
Never one we got the other We made a pact  
Sometimes when i miss you  
I put those records on

Someone said you had your tattoo removed  
Saw you downtown singing the Boom  
Its time to face the music  
I'm no longer amused

And in another life  
You would be my girl  
We keep full our promises  
Be us against the world

And in another life  
I would make you stay  
So I don't have to say  
You were the one that got away  
the one that got away  
The one o o o o (X3)  
The one that got away

All these money can't buy me a time machine (No o o o)  
Can't replace you with a million rings (No o o o)  
Shoulda told you what you meant to me (Wo o o o)  
Cause now i pay the price

And in another life  
You would be my girl  
We keep for our promises  
Be us against the world

And in another life

I would make you stay  
So I don't have to say  
You were the one that got away  
The one that got away  
The one o o o o (X3)

And in another life  
I would make you stay  
So I don't have to say  
You were the one that got away  
The one that got away
