Use Somebody

Boyce Avenue

I've been roaming around Always looking down at all I see Painted faces, fill the places I can't reach You know that I could use somebody You know that I could use somebody

Someone like you, and all you know, and how you speak Countless lovers under cover of the street You know that I could use somebody You know that I could use somebody Someone like you Someone like you

Off in the night, while you live it up, I'm off to sleep Waging wars to shape the poet and the beat I hope it's gonna make you notice I hope it's gonna make you notice

Someone like me Someone like me Someone like me, somebody I'm ready now I'm ready now

I've been roaming around Always looking down at all I see Painted faces, fill the places I can't reach You know that I could use somebody You know that I could use somebody
