Want U Back

Boyce Avenue

Ooh whoa, oh
Hey, I was done playing games.
Knew I needed to upgrade,
So I went and walked away, way, way.
Now, you see I've been hanging out
With another girl in town.
At least she doesn't bring me down, down, down.

Remember all the things you and I did first?
And now you're doing them with her.
Remember all the things you and I did first?
You got me, got me like this.
Now you're taking her to every restaurant,
And everywhere we went, come on!
Now you're taking her to every restaurant.
You got me, got me like this.

Boy, you can say anything you want.
It don't mean a thing,
No one else can have you.
I want you back, yeah.
I want you back.

I broke it off thinking you'd be fine,
But now I feel sick looking at you cryin'.
And I want us back, yeah.
I want us back.

Please, rid me of the jealousy.
You know you belong with me,
And I'm gonna make you see, see, see.

You clearly didn't think it through.
'Cause I had everything for you.
And now, I don't know what to do, do, do.

Remember all the things you and I did first?
And now, you're doing them with her.
Remember all the things you and I did first?
You got me, got me like this.
Now you're taking her to every restaurant,
And everywhere we went, come on!
Now you're taking her to every restaurant.
You got me, got me like this.

Boy, you can say anything you want.
It don't mean a thing,
No one else can have you.
I want you back, yeah.
I want you back.

I broke it off thinking you'd be fine,
But now I feel sick looking at you cryin'
And I want us back, yeah.
I want us back.

Ooh Ooh Ooh

I thought that you'd be fine
When I kissed you goodbye.

Ooh Ooh Ooh
You might be with her,
But I know we could work.

Boy, you can say anything you want.
It don't mean a thing,
No one else can have you.
I want you back, yeah.
I want you back.

I broke it off thinking you'd be fine,
But now I feel sick looking at you cryin'

And I want us back, yeah.
I want us back.

Ooh Ooh Ooh

I thought that you'd be fine
When I kissed you goodbye.

Ooh Ooh Ooh

You might be with her,
But I know we could work.
