

Games

Boyish

All the games that you and I been playing
They don't hit me quite the same
Cause all the games that you and I been playing
They don't hit me quite the same

Since you've been gone, baby
I feel alive, I feel alive
Since you've been gone, baby
I feel alive, I feel alive

Ooh, now baby, baby, I ooh
Ooh, now baby, baby, I ooh
Ooh, now baby, baby, I ooh

All the games that you and I been playing
They don't hit me quite the same
Cause all the games that you and I been playing
They don't hit me quite the same

Since you've been gone, baby
I feel alive, I feel alive
Since you've been gone, baby
I feel alive, I feel alive

Ooh, now baby, baby, I ooh
Ooh, now baby, baby, I ooh
Ooh, now baby, baby, I ooh
