

You listen to The Smiths  
And we never go out  
Then you tell me how you feel  
And we kiss, then we fuck, then you shut me out  
When you leave my house  
There's a light that never goes out  
I'll never turn it off, you can find it the next time you let me down

But you look so fine  
Yeah, you look so cool  
And you waste my time even when you're not around, I still talk about you  
And you know I've tried, but you look so cool  
I'm too bored to let go so I sit in my room and I cry over you

And I leave the light on  
When I go to bed  
It takes me three hours so I'll sit and I'll think about you instead

But you look so fine  
Yeah, you look so cool  
And you waste my time even when you're not around, I still talk about you  
And you know I tried, but you look so cool  
I'm too bored to let go so I sit in my room and I cry over you

You look so (You look so)  
And you're so (And you're so)  
You look so (You look so)  
And you're so (And you're so)  
You look so (You look so)  
You look so (You look so)  
You look so (You look so)  
You look so (You look so)  
You look so
