

Way Up

Boyish

One day you'll find me
A sinner's moan
A want that's grown
Ooh babe I'm dying
From all your love

Just take me on to you
Ooh ooh

I'm on my way up
I ain't my mama's girl
I'm on my way up
I'm just a lady's girl

I'm on my way up
I ain't my mama's girl
I'm on my way up
I'm just a lady's girl

Come on I'm reeling
In your sweet sound
I'm on the ground

And babe I'm sighing
And sinking in
Just take me on
To you ooooh
Ooooooooooooh

I'm on my way up
I ain't my mama's girl
I'm on my way up
I'm just a lady's girl

I'm on my way up, up
I ain't my mama's girl
I'm on my way up
I'm just a lady's girl

I'm on my way up, up
I ain't my mama's girl
I'm on my way up
I'm just a lady's girl

Ooooooh ooooooh
Ooooooh ooohhh
Ooooooh oooooh

I'm on my way up
I ain't my mama's girl
I'm on my way up
I'm just a lady's girl

I'm on my way up
I ain't my mama's girl
I'm on my way up
I'm just a lady's girl

I'm on my way up, up
I ain't my mama's girl
I'm on my way up
I'm just a lady's girl

I'm on my way up, up
I ain't my mama's girl
I'm on my way up
I'm just a lady's girl
