

I bonded with people I had never met before over computers
Something I really loved. And one of my favorite memories from
that year is playing a clone of Hunt the Wumpus

Hunt the Wumpus
Hunt the Wumpus

I would've been stargazing
In the 80's I would've made it
And probably don't care about it
But I feel so old we listen
It's not fair, I never see it coming
With an ego like that, and your head so high
All I do is think about ya

I think about ya
I think about ya
I think about ya
I think about ya
About ya

It's not fair, I never see it coming
With an ego like that, and your head so high
All I do is think about ya

I think about ya
I think about ya
I think about ya
I think about ya, 'bout ya
I think about ya
I think about ya
I think about ya
I think about ya

Wait mom will you sing it?
I think about you
I think about you
I think about you
Ha, ha
