

Nice Guy

BOYNEXTDOOR

Don't be such a wuss, Seoul is mine tonight
Let's rizz up all night
Let me tell you straight, want to kiss you right now
I'll get you all night

I'ma slide in like a dripped down, nice guy of the night (Alright)
And all your friends are saying, "Better watch out, girl"
My tone got you so flirty, full speed, driving you crazy
Was born like this, ain't even gotta try

Look at my eyes
Look at my line, my girl
You like it, right?
Oh, no, no, no
Look at my eyes
Look at my line, my girl
You like me, right?
No, no, no

They say, "I can't take my eyes off you"
Driving you crazy is what I do
Whatever you heard about me, it's true
Baby, be mine like, yes or no, no, no, no
Keep calling me
To come to the party tonight
I'm lowkey the one you need
I'm not in my zone, zone

Dripped down, nice guy of the night
I know that everyone is flirting with me, yeah
Sexy and about my business, all my works delicious
Oh, baby, baby, I'm busy tonight

Look at my eyes
Look at my line, my girl
You like it, right?
Oh, no, no, no
Look at my eyes
Look at my line, my girl
You like me, right?
No, no, no

No, don't you make me wait, say what's on your mind
You'll say it, "I love you"
Baby, baby, please, please don't go away
Let me know, I want it too

Look at my eyes (Eyes)
Look at my line, my girl (Line, my girl)
You like it right? (Come on, baby)
Oh, no, no, no (No, no, no)
Look at my eyes (Don't we look lovely?)
Look at my line, my girl (Oh, you know it)
You like me, right?
No, no, no

Now I'm feelin' like

Oh, ah
Hey, my girlfriend, don't turn me down (Ayy, baby)
Oh, ah
Hey, my girlfriend, come on over

You know that what I'm saying
Goodnight, baby
