ㄱㄱㄱ, love, just say my name

Yeah, just say my name
Come on, come on, come on, woo
Just say my name (Yeah, yeah)
Just say my name (Say my name, yeah, yeah)

Eeny, meeny, now your turn
Let me, let me know, say it, baby

Until when by your side, yeah
You don't know, use your heart, chicly
Chocolate milk every morning is me
You're quick-witted, but there's no way you wouldn't know
Yeah, now I wanna do something that suits my age
Ah, cute, cute, cute (I'm ready for you)

Rethinking to measure the hand
Let's see if we can catch it
I've been holding it in, but I can't
You're so pretty that I'm going to die (Oh, girl)
Already a breach in friendship
Thinking it a lot, I only have time
I know how you feel
Just one thing, hurry, hurry up

Just say my name (Name)
The three letter that called me, say my name
Now it change the name a bit (Change up)
Add another spoonful of sugar (Special)
The nervousness tells me the answer is enough
Just say my name (Just say my name)
Shall we start love, oh, baby

Just say my name, just say my name, yeah (Ho)
Go say my name, go say my name, yeah (My name)
Just say my name, just say my name, yeah
So call my name

There are no women among my friends (Among them)
My account only follows you
Whatever want, whatever need
Anytime, whenever
I'm all right for you, baby, one more
Can I be your boy? Can I love you more?
All of this is perfect
I'm confident, come here
I promise, promise

Nothing surrounds you
Kids can't be hovering around again
I'm always nervous, I go crazy
'Cause I like you so much, girl (Oh, girl)
You really suits with me
Even if I hesitate more, only time
Trust your heart then there's
My heart keeps pounding, pounding, pounding

Just say my name (Name)
The three letter that called me, say my name
Now it change the name a bit (Change up)
Add another spoonful of sugar (Special)
The nervousness tells me the answer is enough
Just say my name (Just say my name)
Shall we start love, oh, baby

A moment of silence at this moment
Already happy imagination
Timeline will be filled by you and me
My heart is pounding again
I feel like time has stopped
Don't doubt it, you know
Only for you runnin', runnin', go (Yeah)

Just say my name (Name)
The three letter that called me, say my name
Now it change the name a bit (Change up)
Add another spoonful of sugar (Special)
The nervousness tells me the answer is enough
Just say my name (Just say my name)
Shall we start love, oh, baby

Just say my name, just say my name, yeah
Go say my name, go say my name, yeah
Just say my name, just say my name, yeah
No more friend, oh, baby
Just say my name, just say my name, yeah
Go say my name, go say my name, yeah (Woah)
Just say my name, just say my name, yeah
Let's start love, just say my name
