

# Wingman

## Boys World

Ooh, ooh  
Mmm, mmm  
Ooh, ooh  
(One, two, three, come on)

I'm a little selfish with my personal space  
Call it greedy but I really like the extra room (Yeah)  
Over anybody tryna feed off my plate  
I don't share and I don't care if you expect me to (Oh)

Not a brand new thing that a queendom doesn't need a king  
I like it how I like it and I like it how I do (Oh)  
Seems like everybody's feeling like they gotta have a somebody (Oh)  
But my equation's me plus me instead of me plus you

I don't need a wingman (Mmm, mmm)  
'Cause I'm too fly on my own  
I don't need a thing, man (Mmm, mmm, not a thing, man)  
No, I-I-I  
Ain't thinking 'bout a ring, man (Mmm, mmm)  
Don't wanna be weighed down by that stone  
I don't need a wingman (Mmm, mmm)  
No, I-I-I don't

A wingman, no, don't need no one  
I don't need a... (Wingman)  
A wingman, no, don't need no one (I don't)  
I don't need a... (Wingman)  
A wingman, no, don't need no one (I said it)  
I don't need a... (I don't need a wingman)  
A wingman, no, don't need no one

My destiny isn't somebody paying my bills  
Cashin' checks ain't what I ever had a problem with (No)  
When my nights are spent and how I'm catchin' my feels  
Won't be decided by some guy and his prerogative (Oh)

Not a brand new thing that a queendom doesn't need a king  
I like it how I like it and I like it how I do (Oh)  
Seems like everybody's feeling like they gotta have a somebody (Oh)  
But my equation's me plus me instead of me plus you

I don't need a wingman (Mmm, mmm, ooh)  
'Cause I'm too fly on my own  
I don't need a thing, man (Mmm, mmm, ooh, yeah, say what?)  
No, I-I-I  
Ain't thinking 'bout a ring, man (Mmm, mmm, I ain't thinkin' 'bout a ring, man)  
Don't wanna be weighed down by that stone  
I don't need a wingman (Mmm, mmm, hahaha)  
No, I-I-I don't (I don't)

A wingman, no, don't need no one  
I don't need a wingman  
A wingman, no, don't need no one  
I don't need a...  
A wingman, no, don't need no one

I don't need a... (Ooh)  
A wingman, no, don't need no one

Seems like everybody's feeling like they gotta have a somebody (Oh)  
And I know I have a body, but I don't need nobody on me

I don't need a wingman, no (Mmm, mmm)  
'Cause I'm too fly on my own (Too fly, yeah)  
I don't need a thing, man (Mmm, mmm, I don't need a thing, man)  
No, I-I-I (No, I don't)  
Ain't thinking 'bout a ring, man (Mmm, mmm, I ain't thinkin' 'bout a ring, man)  
Don't wanna be weighed down by that stone  
I don't need a wingman (Mmm, mmm)  
No, I-I-I don't

I don't need a... (Hey), I don't need a wingman  
I don't really, really need one  
I don't need a... I don't need a man, no, no  
I don't need a... I don't need a wingman  
You ain't never gonna be one  
I don't need a man, no (Ooh, ooh, ooh)  
(I don't need a wingman)
