First Time

Oh... oh oh oh... it`s my first time Oh... oh oh oh... please be kind Oh... oh oh oh... don`t hurt me Oh... oh oh oh...

I met her last Friday At the local dance She was across the room I caught her glance

We started dancing And before you know I took her to my place Where we were alone and she said...

I didn`t know what to say Didn`t want to hurt in anyway I looked in those big brown eyes Filled with tears she tried to hide... she said...

We felt so happy We felt so fine I don't think I'll ever forget the time... she said...
