

# Babydoll

BoyWithUke

Ooh, ooh, ooh  
Ooh, ooh, ooh  
Ooh, ooh, ooh  
Ooh, ooh, ooh

You got them purple socks with the llamas on them  
Must've missed your call, and the drama all up  
In between the walls of nirvana, wanna  
Make it all my fault? Make a scene?

Babydoll, watch me fall, oh, we could've had it all  
Take me down, watch me drown, clean the writing on the wall  
Let the rain hit my face, I've been calling out your name  
Pull the trigger, run away, run away, run away

No, I don't think we should hang out  
I get confused when you're around  
It's crazy as hell to say, I know  
But I think it's time to let you go  
Ooh, ooh, ooh  
Ooh, ooh, ooh  
I think it's time to let you go  
Ooh, ooh, ooh  
Ooh, ooh, ooh  
I think it's time to let you go

Baby, you're making the day go  
By so slow, I may be mistaken  
Waiting for moves to be made despite  
These woes, I need to be patient  
Lately, I seem to be late for  
Everything, I wish I could fake it  
You say I'm hard to be there for  
But your heart was always so vacant

Babydoll, watch me fall, oh, we could've had it all  
Take me down, watch me drown, clean the writing on the wall  
Let the rain hit my face, I've been calling out your name  
Pull the trigger, run away, run away, run away

No, I don't think we should hang out  
I get confused when you're around  
It's crazy as hell to say, I know  
But I think it's time to let you go  
If only I met you in my dreams  
If only I were still asleep  
You showed up at 10, I left at 9  
'Cause you're the right one at the wrong time  
Ooh, ooh, ooh  
Ooh, ooh, ooh  
I think it's time to let you go  
Ooh, ooh, ooh  
Ooh, ooh, ooh  
I think it's time to let you go
