

Bad Blood

BoyWithUke

La-la-la-la
La-la-la-la
La-la-la-la

Toxic apathy
You're way too good for me
You're better off all by yourself
You're better off all by yourself
Stoned, cold, losing sleep
You're way too cool for me
You're probably with somebody else

It's bad, bad blood
Living on in my veins
I don't how I change, I don't
But that's bad blood
Drinking up on my pain
Whenever I hear your name, oh Lord
Bad, bad blood

La-la-la-la
La-la-la-la
La-la-la-la
Bad, bad blood

Was I enough for you?
Doing everything I was told to do
You never ever seem to call
Back, baby
Am I not good for you?
'Cause I cried for help, and you still refused
You know you coulda had it all

It's bad, bad blood
Living on in my veins
I don't how I change, I don't
But that's bad blood
Drinking up on my pain
Whenever I hear your name, oh Lord
Bad, bad blood

La-la-la-la
La-la-la-la
La-la-la-la
Bad, bad blood

La-la-la-la
La-la-la-la
La-la-la-la

Boy with a beat, don't play with me
La-la-la, la-la-la-la
A-B-O-B, bitch, I don't bleed
Bitch, I don't bleed
Bitch, I don't bleed
La-la-la, bad, bad blood
Go take a seat, don't make a scene

La-la-la, la-la-la-la
Bitch, that might be just what you need
Just what you need
Is that what you need?
La-la-la, bad, bad blood

It's bad, bad blood
Living on in my veins
I don't how I change, I don't
But that's bad blood
Drinking up on my pain
Whenever I hear your name, oh Lord
Bad, bad blood

La-la-la-la
La-la-la-la
La-la-la-la
Bad, bad blood

La-la-la-la
La-la-la-la
La-la-la-la
