

Half of my heart wants what we had again  
Falling apart thinking what could've been  
Don't make it harder than it has to be  
Baby, please  
I don't think we can be friends

Half of my heart wants what we had again  
Falling apart thinking what could've been  
Don't make it harder than it has to be  
Baby, please  
I don't think we can be friends

I just wanna stop  
Had enough  
Out of love and out of luck  
I don't wanna give a fuck about my feels  
Dozing off  
Emotionally uninvested  
Resting for the day to come  
Try my hardest not to run away from everything I've done  
But I'm looking back  
Ignoring facts  
I see two moons but walk six paths  
Inside my head, I'm going mad for you

Half of my heart wants what we had again  
Falling apart thinking what could've been  
Don't make it harder than it has to be  
Baby, please  
I don't think we can be friends

I just wanna go  
Don't wanna take it slow  
I just wanna go  
Don't wanna take it slow

Half of my heart wants what we had again  
Falling apart thinking what could've been  
Don't make it harder than it has to be  
Baby, please  
I don't think we can be friends
